

MONDELEZ PHILIPPINES, INC.

Mondelez
International
SNACKING MADE RIGHT

Our mission is to lead the future of snacking around the world by offering the right snack, for the right moment, made the right way.

MDLZ

MONDELEZ INTERNATIONAL is a snacks manufacturing company which aims to empower people to snack right, with 2019 global net revenues of approximately \$26 billion. *Locally*, we achieved double-digit net revenue growth in 2019.

Approximately **450 PERMANENT EMPLOYEES** in our Sucat office and manufacturing plant bring our brands to life, making and baking our delicious products.

OVERVIEW

Established in **July 31, 1963**, Mondelez Philippines, Inc.'s (MPI) manufacturing operations began two years later in **1965** in **Sucac, Parañaque City** where its offices and cheese and grocery manufacturing plant are still located. Mondelez Philippines holds strong leadership positions in the processed cheese (block and cheese spread), powdered beverages and chocolates categories. It has also gained a strong position in the biscuits category.
