BENEFICIARIES

SOME 5,300 STUDENTS ACROSS 19 SCHOOLS YEAR-TO-DATE

SUMMARY

It is a school adoption program that aims to help improve well-being of students through interventions for access to fresh food, nutrition education and active play.

PROGRAMS

ACCESS TO FRESH FOOD:

A 9-month daily feeding program for 300 severely undernourished elementary students.

NUTRITION EDUCATION

Employee volunteering activities that promote eating right and snacking mindfully among students.

MONDELEZ PHILIPPINES EMPLOYEE VOLUNTEERISM

Donation of sports equipment and employee volunteering activities centered on having fun while playing.
