~700 MILLION
In Net Revenues (2018)

In the Middle East, more than half of Tang’s annual sales happen in just six weeks around Ramadan, where families gather each evening to share a meal, seasonal treats and, often, a pitcher of Tang!

In 1965, Gemini 4 astronauts bring Tang along on their mission and it will be part of all manned space flights for the next 10 years.

Quenching the world’s thirst with unique flavors.
